

**Announcing the Boulder Valley Unitarian Universalist Fellowship
Our Whole Lives (O.W.L.) Human Sexuality Program
for 1st, 5th, 7/8th and 10-12th grades
Fall, 2008**

First Grade Our Whole Lives (O.W.L.)

10 sessions offered 9:00 - 10:30 a.m. Sunday mornings

Tuition: \$50.00 for members (\$75.00 for non-members) sliding scale fee available.

This program supports parents in educating their young children about birth, babies, bodies and families. It helps establish a life long family pattern of communication around sensitive topics. Following a Parent Meeting and Parent/Child Orientation, the eight class sessions engage children with stories, songs and activities and include a weekly HomeLink—a homework project for parents and children to do together. Families covenant to have their child attend all 8 sessions to promote trust and sharing. After the Orientation Session, the class is closed to drop-ins and new participants. Focusing on the "three R's" of human sexuality--respect, relationship, and responsibility--it emphasizes that we believe every person should be treated fairly and kindly. BVUUF's O.W.L. sessions will take place over a 4 month period, September – early December with breaks for holidays, long weekends, and school vacations. It is our intention to offer it every year after this year for first graders.

The Parent Guide to Our Whole Lives Grades K-1 and Grades 4-6

A session-by-session guide to what children will learn through the *Our Whole Lives* curricula for grades K-1 and 4-6. UUF has several copies for loan or a family may order their own copy from the UUA bookstore.

Preregistration for First Grade O.W.L.

Final commitment and payment will be due after the Parent Orientation session, but it helps to know how many we can expect. Thanks.
